VIP Dining Event

Wagamama

The mouth-watering Pan-Asian menu will be tantalising NorthWest's taste buds.

With four sites in New Zealand already and a delicious selection of main dishes, sides, fresh juices and desserts we're sure it will be a crowd pleaser.

Choose from a warm bowl of bold ramen, teppan griddled to perfection or curries with rich coconut bases or if you would rather rice, you're in luck – the menu features many Japanese favourites. Fresh, authentic menus that are updated seasonally. Wagamama is a staple of modern asian cuisine.

Along with the opening of this new location, Wagamama has taken on a new concept - Kaizen meaning continuous improvement. Along with a slight shift to the service style and the overall aesthetic of the restaurant, guests can expect a more inviting space where they can relax over a longer lunch or dinner.

wagamama

Orra Café

Tasty snacks and beverages to stave off hunger pains between the main meals.

With Allpress Coffee on the grind and a selection of sandwiches, cakes and pastries, Orra Café is the perfect place to indulge. For those needing a 3pm 'pick-me-up' minus the caffeine, they've got freshly squeezed juices and a selection of smoothies to choose from.

Cleaver & Co.

For devout meat-lovers who know their rare from their medium-rare.

A lively place to gather friends, family, lovers and work mates, Cleaver & Co. holds true to its mantra of "eat better meat, drink better liquor". Here, they celebrate the art of authentic wood fire BBQ, devoted to tried and true smoking techniques that have been crafted over many decades. The mood is casual, the vibe lively and the chicken 'wangs' are to die for.

Nando's

A popular dining destination for chicken lovers.

PERI-PERI is the heart & soul of Nando's. Its story is our story. For centuries, the people of Southeast Africa have used PERI-PERI to bring fire to their food. It is in Mozambique's rich soil and blistering sunshine that the African Bird's Eye Chilli grows into its fiery best. Nando's may have come quite a way since our humble beginnings in Johannesburg, South Africa in 1987, but we've never forgotten our roots. Minha casa é sua casa.

Goode Brothers

Kiwi-made Italian that the whole family will love.

Welcome to Goode Brothers, the latest addition to our very own brand of Kiwitalian - a genuine, honest-to-goodness dining experience where sociability and sharing is at the heart of everything we do. Fresh, hand-made bellissimo.

Specialty dish: Fresh hand-made pasta bowls to share.

GOODE BROTHERS

Hansan

Tasty cheap eats from a family-run hospitality stalwart.

After immigrating to New Zealand in 1990, the Chin family set up the first Hansan restaurant in 1999, dishing up authentic Vietnamese fare to Auckland locals who welcomed the fresh and exotic flavours. Now taking up a new residence in NorthWest's dining precinct, we're looking forward to snacking on their fresh spring rolls and slurping plenty of won ton soup.

Casablanca

Casablanca restaurant and bar brings the magic of North-African and Mediterranean cuisine to New Zealand.

Drop by Casablanca for an expertly brewed coffee, a full-course meal with the family or a wine and tapas with friends. Our eclectic setting, vibrant food and genial staff will ensure a memorable experience.

Tomi Ro

Sushi train thrills in a family-friendly setting.

NorthWest is now home to the first Sushi Train in West Auckland, letting you select lunch or dinner straight from the table. Visit Tomi Ro for fresh sushi rolls, gourmet charcoal grilled skewered meats and delicious Japanese beers to wash it all down.

CITTÀ

Inspiring us with immaculately curated interior scenes, Città opens up their latest space in NorthWest Shopping Centre.

The design house has long been coveted by those seeking to refresh their home and office environments. This is the place to stock up on everyday homewares, along with those larger furniture pieces that can make a room pop. Their arrival at the centre couldn't be more perfect, given the recent arrival in store of Città's Summer 2016/2017 seasonal collection, 'Wish You Were Here'. Conjuring up the laid-back glamour of Palm Springs in the fifties, there's plenty of desert modern-inspired pieces to pick up in time for summer.

For those in search of training gear and activewear, Stirling Sports has a well-earned reputation as a one-stop-shop, the leading destination for all the gear you need to run faster, jump higher and play harder.

At their new space in NorthWest, you'll be able to shop the world's most-wanted sports brands including Nike, Adidas, Adidas Originals, Adidas StellaSport, Under Armour, Lorna Jane, New Balance and Asics. For those heading to a big game, Stirling also stock enough supporters gear to fill a stadium, with designs from the likes of NBA, NRL and the All Blacks.

 Constellation Brands

New Zealand's largest wine company, Constellation Brands, will be relocating into an expansive new office inside the Stage 2 precinct. Tasked with bringing outstanding national wines to the world's attention, we're happy to welcome the Constellation Brands team to their headquarters.
